

ATM OUTSOURCING

Reduce your operational costs

Digital transformation is a strategic imperative for Banks. The Mobile Consumer represents a major shift in banking and asks for continuous investments for mobile-first projects, branch transformations and network rationalization.

Banks reconsider their ATM Channel strategies to achieve a reduction on ATM investments with less OPEX and more services.

Euronet offers a unique ATM Outsourcing Value Proposition, with:

- Proven operational experience
- More than 48,000 ATMs in 28 countries
- Superior switching and processing technology
- A flexible offering adapted to the Bank needs
- End2end responsibility of the ATM value chain
- Business continuity and same customer experience
- Reduced cost of operation
- Flexible branding options
