**NCR recently announced it will sunset SelfServ 30 Series of ATMs/ITMs Dec. 31, 2024. In addition, support for APTRA Edge 10 software will be discontinued at the end of 2023.**

## **What you Need to Know End of Life NCR SelfServ 30 Series ATMs**

### **Q: What models will be affected?**

- A: NCR will no longer support SelfServ 30 (663X) ATMs/ITMs:
- **6622** – Interior Freestanding Cash Dispense ATM
  - **6632** – Interior Freestanding Full-Function ATM/ITM
  - **6625/26** – Exterior Through-The-Wall Cash Dispense ATM
  - **6634** – Exterior Through-The-Wall Multi-Function ATM/ITM (Walk-Up/Drive-Up)
  - **6638** – Exterior Island Full-Function Drive-Up ATM/ITM

### **Q: What NCR product line replaces SelfServ 30 Series?**

- A: SelfServ 80 Series (668X) product is replacing the 30 Series.
- **6623** – Interior Freestanding Cash Dispense ATM
  - **6682** – Interior Freestanding Multi-Function ATM/ITM
  - **6627** – Exterior Through-The-Wall Cash Dispense ATM
  - **6684** – Exterior Through-The-Wall Multi-Function ATM/ITM (Walk-Up/Drive-Up)
  - **6688** – Exterior Island Multi-Function Drive-Up ATM/ITM

**Q: What are the advantages of upgrading?**

A: Continued compliance with regulations as established by PCI, EMV, etc.

Seamless alignment with current and future consumer demands:

- Consistent mobile and digital-friendly consumer experience across all channels.
- Accommodate the growing use of mobile and contactless technologies.

Enhanced performance and capacity with a wide range of configurations including dual dispense, recycling and mixed media deposit/dispense.

Dynamic MEEIs with programmable colors and a Large LCD 19" screen that increases space for your personal branding/marketing.

**Q: What if ATMs/ITMs are not replaced by 12/31/2024?**

A: SelfServ 30 Series ATMs/ITMs may remain in operation after the support deadline; however, their performance will likely become impacted over time by the decreasing availability of compatible parts, resulting in more frequent periods of downtime.

- NCR has already discontinued manufacturing and will no longer supply parts for SelfServ 30 Series after the End-of-Life date.
- MVP will continue to stock refurbished parts and provide maintenance on SelfServ 30 Series ATMs/ITMs beyond the End-of-Life date and for as long as possible afterward.

*Mitigate the risk of ATM downtime by partnering with MVP. We will facilitate the replacement of your Diebold ATMs with superior solutions and reliable service.*

## **Don't Wait to Order Replacement ATMs**

**Diebold's Opteva ATM line will sunset and no longer be supported after Dec. 31, 2024.** This may seem like a long way off, but with extended lead times for new equipment averaging over a year, there is little time to waste. **And with the recent news of Diebold Nixdorf's bankruptcy,** we strongly recommend replacing all Diebold models to solidify continuous support of your ATM fleet.

### **Don't Stress, Lean on MVP!**

Whether you are interested in an [ATM Outsourcing](#) program, managed services or just need to purchase equipment, [MVP Financial](#) has the products and services you need.

*We carry a full line of new and refurbished cash dispensing and full function ATMs and ITMs from the leading manufacturers.*

Experts estimate up to 50% of US [#ATMs](#) will 'sunset' Dec. 31, 2024, when new [#PCI](#) standards go into place. While some ATMs can be upgraded, many will need to be replaced.

With an [#ATMOutsourcing](#) program from [MVP Financial Equipment](#), we can help you plan for the future while lowering your monthly cost, removing capital expenses, and adding functionality and self-service touchpoints.
